Our program specializes in the individual case management of students who find themselves in challenging or at-risk situations. Highly trained and professional staff, all possessing one or more qualifying degrees, and many having been active duty or military spouses, have proven to be critical and effective.

- At-risk of academic failure as identified by the Texas Education Agency (TEA) and the Texas Legislature.
- Economically disadvantaged
- Currently in a crisis situation; e.g. deployment, death of a family member, divorce, etc.

Area Served

Williamson, Travis, Bell and Bastrop Counties

Services Provided

We provide individual counseling for PTSD and TBI as a part of Horses for Heroes, an ongoing equine assisted therapy program. Horses for Heroes is a nationally recognized, NARHA-endorsed program that R.O.C.K. helped to develop by providing staff and expertise during the pilot program for amputees at BAMC in the summer and fall of 2005. This program is now being endorsed by the Department of Veterans Affairs and NARHA (governing organization for therapeutic riding) for establishment as on-going nationwide program. There are now 38 veterans programs at NARHA certified centers across the U.S. R.O.C.K. has been serving military personnel from Ft. Hood and OEF/OIF Veterans in the 512 telephone area code, in Central Texas since May 2008. Most participants have PTSD and a physical disability and those with Traumatic Brain Injury are the next highest occurring injury.

Area Served

We provide services primarily Bell, Coryell, Lampasas but have support meetings in over sixty locations statewide. See our website for meeting locations.

Services Provided

We provide Peer to Peer Support Workshops that help Veterans talk through issues that occurred during a traumatic (wartime) event. The workshops create a supportive environment because all participants served in the military allowing participants to identify with each other. We prepare facilitators through extensive training and help expand the availability of access to and awareness of community-based behavioral health supports and services for Veterans. See our website for over 60 meeting locations throughout the state.
